ISEA

Faculty Development Program
On
Cybersecurity & Digital Forensics
9th February, 2026 - 13th February, 2026

Organized by ISEA Phase 3, National Forensic Sciences University

About:

The Faculty Development Program is designed to enhance the knowledge and practical competencies of faculty members and researchers in Cybersecurity and Digital Forensics, with emphasis on both system-level and network-level security. The program focuses on security assessment, incident response, digital evidence preservation, and forensic methodologies, enabling participants to strengthen their teaching capabilities, advance research activities, and effectively apply these techniques in real-world cyber incident investigations.

Who can Participate?

- Faculty Members
- Research Scholars
- Students

*e-certificates will be provided to all participants

Topics Covered

- Operating System Security
- SDN based Security
- AI in Cybersecurity
- Introduction to Malware
- And many more

Last Date of Registration: **5th February, 2026**

Register: https://forms.gle/K3y55zwVLkcbfZ4E7
